about us

Entering its 18th year of publication, Baby and Children's Product News™ is the only national magazine dedicated completely to juvenile products and the retailers who sell them. Published by Publishing & Marketing Solutions, Inc., the magazine was founded by Lori Fisk-Conners and Nanci P. Gregg, who remain its owners today.

OUR STORY

This is the most powerful & cost effective magazine in the country. Readers can find the magazine at regional markets and in their own mailbox. Wish you were promoting your product everywhere juvenile retailers are? We are and your ad in our publication will be seen by them all!

WHERE OUR HEARTS ARE

We don't talk a lot about our work in the community, but we are actively involved with and sponsor a number of organizations including the St. Jude's Dream Home in Nashville, Big Brothers & Big Sisters, The Asthma Foundation, Habitat for Humanity, Boys & Girls Clubs, Delivering Good, and Graceworks.
